

## Cooloola Coast Bowls Club Inc.,

Results for the week ending 29<sup>th</sup> October 2023.

By Philippa Collins.

The Board of Management's Annual General Meeting is to be held Saturday, 4<sup>th</sup> November at 10 am. Hopefully many of the full members of the Cooloola Coast Bowls Club Inc., will attend this very important meeting to provide the support and interest that everyone is required to give. A thank you to all the current committee for their commitment that they have given during the last twelve months. Without this dedicated committee, our club would not have progressed to the present stage. A very big thank you to all the other members who have volunteered many hours to help the running of the club. As you are all aware, this club would not be able to exist without those extra willing hands.

Tickets for the Melbourne Cup, Tuesday 7<sup>th</sup> November, are available to purchase at the Bar. The Melbourne Cup Day has always been a great event so do come and join the fun. Bookings are essential.

Bowlers on the green this week have been down due to many reasons.

**Thursday Mixed Social:** With a storm hovering in the west, the wind was an extra challenge for all the bowlers. The Games Controller was looking for the lowest winning score from the bowlers score cards. With two teams having a draw, it came down to a count of ends to decide the winners for the day play. Well done, John Moffitt, Philippa Collins and Kurt Steinscherer.

Saturday, 28<sup>th</sup> October, the club provided a venue for the Wedding celebrations of Don Beaton and Judy Kiddle. The happy couple married with their family members and many friends wishing them both all the happiness for the future. Don has been a member of the Cooloola Coast Bowls Club for many years, supporting all activities and holding almost every position of the club during those many years. Judy, is no stranger to the club as Judy has also supported many functions over the years, welcome.

Sunday, 29<sup>th</sup> October, bowlers returned the annual visit to Golden Shores at Hervey Bay. Everyone enjoyed Golden Shores usual hospitality with a game of

bowls on their very well presented green, followed by a light lunch. As always it is a very friendly and enjoyable days event. Thanks to those bowlers who attended.

As this is my last Newsletter, I wish to take this opportunity to thank many readers that have appreciated my hours of typing away to help provide you all with the news of the week.

Thursday winners; John Moffitt, Philippa Collins and Kurt Steinscherer.
